## **CHORES LIST**

You can only do 1 chore each day. No chore can be done more than 3 times in a week. Use the coins earned for each chore to figure out how many days it will take to save \$15 for the dinosaur.

|           | Take to save \$15 for the amosadr. |                        |                               |                          |  |
|-----------|------------------------------------|------------------------|-------------------------------|--------------------------|--|
|           | MAKE YOUR<br>BED - 50C             | FEED YOUR<br>PET - \$1 | EMPTY THE<br>DISHWASHER - \$1 | SWEEP THE<br>FLOOR - \$2 |  |
| MONDAY    |                                    |                        |                               |                          |  |
| TUESDAY   |                                    |                        |                               |                          |  |
| WEDNESDAY |                                    |                        |                               |                          |  |
| THURSDAY  |                                    |                        |                               |                          |  |
| FRIDAY    |                                    |                        |                               |                          |  |
| SATURDAY  |                                    |                        |                               |                          |  |
| SUNDAY    |                                    |                        |                               |                          |  |
| MONDAY    |                                    |                        |                               |                          |  |
| TUESDAY   |                                    |                        |                               |                          |  |
| WEDNESDAY |                                    |                        |                               |                          |  |
| THURSDAY  |                                    |                        |                               |                          |  |
| FRIDAY    |                                    |                        |                               |                          |  |
| SATURDAY  |                                    |                        |                               |                          |  |
| SUNDAY    |                                    |                        |                               |                          |  |
