

City of Light Picture

Use the instructions below to make a City of Light picture.

YOU WILL NEED

- A4 Paper
- Yellow or White Crayon
- Black Paint
- Paint Brush
- A Paper Plate
- Scissors
- Glue

INSTRUCTIONS

- 1 Cover the page in yellow or white crayon.
- 2 Cover the page in black paint.
- 3 When dry scratch small pieces of paint from the centre of the page as if they are dots of light on the ground.
- 4 Cut out the middle of the plate to leave the outside rim.
- 5 Paste the plate over the page to create a spaceship portal as if John Glenn was looking down at Perth.
- 6 Trim the page to match the outside of the plate.

Follows a sequence of steps to make an artwork
