MAKING A DIDGERIDOO

Order the instructions for making the didgeridoo.

Retells events from a text in order.

SYMPHONY OF STORIES

MAKING A DIDGERIDOO

Cutouts

Decorate if desired with burnings or paint.

Use beeswax to make a mouthpiece.

Strip the bark off the outside of the branch.

Clean the inside with sticks or hot coals.

Soak the wood in water to cure it.

Bang the branch on the ground to clean it out.

Find a Eucalyptus tree branch that is solid on the outside but hollow on the inside.

Retells events from a text in order.
