

# SYMPHONY OF STORIES

## FAVOURITE THINGS

In the space below each student should name their favourite thing and then describe why this is your favourite thing – it could be a toy, food, holiday destination, person or song. These should then be cut out, decorated and displayed to show how everyone in the class is unique but it is only when all the class's favourite things are seen together that each student's uniqueness can be recognised.

### FAVOURITE THING

Is developing a sense of who they are and their connectedness to others.
