

WATTLE ART

Native wattle features on the cover of the book. Create your own wattle picture using the instructions below.

YOU WILL NEED

- Kitchen sponge
- Cotton buds
- Paper
- Yellow, brown, green paint
- Paintbrush
- Scissors

INSTRUCTIONS

- 1** Using scissors, cut the sponge into the shape of a leaf.

- 2** On a piece of A4 paper, use the brown paint to paint tree branches.

- 3** Dip the cotton buds in the yellow paint and dab it on to the branches.

- 4** Dip the cut-out sponge in the green paint and dab it on the side of the branches.

Use and experiment with different materials and techniques to make artworks.
