

UNTANGLE THE KNOT

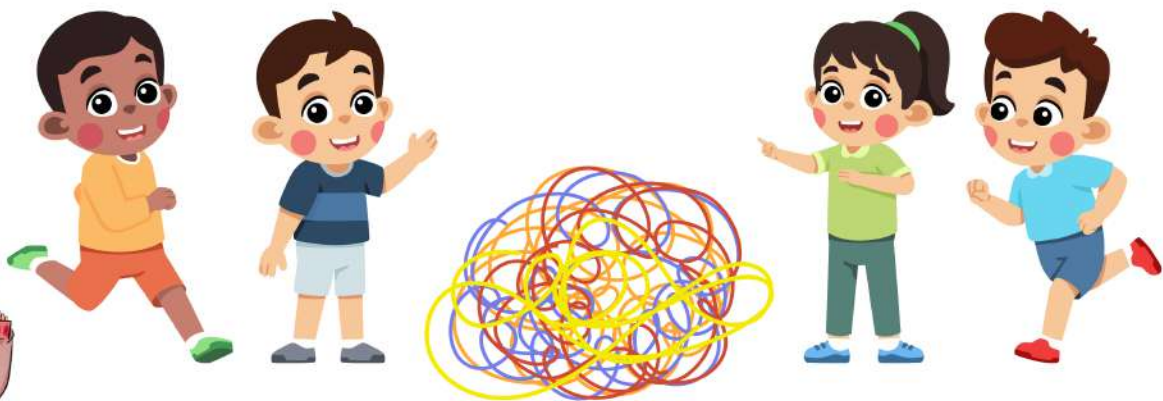

This activity encourages teamwork and problem-solving in a physical and fun way.

YOU WILL NEED

A long rope or several scarves tied together per team of 6 students.

INSTRUCTIONS

- 1 Lay the rope in a tangled pile on the floor.
- 2 Divide students into teams and blindfold one member from each team.
- 3 The blindfolded team member must untangle the rope based on the verbal instructions from their teammates.
- 4 Reflect on how different approaches can lead to successful and unsuccessful outcomes.

Applies strategies to solve problems.
