

PARTY GAMES

The Easter Hat Parade is a great time to have an egg and spoon race. Use the instructions below to run an egg and spoon race either with real or chocolate eggs.

An egg and spoon race is a game where participants must balance an egg or similar shaped item on a spoon and then race to the finish line. This can be played with fresh eggs, hard boiled eggs or chocolate eggs for zero mess and no waste of food.

Competitors race either individually or in a team similar to a relay race. If the egg falls from the spoon competitors can either simply stop and retrieve the egg or be forced to start from the beginning.

It is against the rules to hold onto the egg with one finger and for added challenge competitors could carry the spoon with two hands or in their mouth.

The first person to reach the finish line with their egg is the winner. Use the table below for up to 20 children to record who won each round and who was the overall winner.

Round 1	Winner of Round 1	Overall Winner
Round 2	Winner of Round 2	Overall Winner
Round 3	Winner of Round 3	Overall Winner
Round 4	Winner of Round 4	Overall Winner
