

Cardboard Penguin

Use the instructions below to create a cardboard penguin.

YOU WILL NEED

- Penguin parts below
- Glue
- Scissors
- Googly eyes

INSTRUCTIONS

- 1 Cut out all the penguin parts below.
- 2 Roll the black rectangle to form a tube 10cm high.
- 3 Add the curve topped white rectangle to the front of the tube.
- 4 Add the eyes.
- 5 Glue on the beak and feet.
- 6 Finally glue on the wings.

Follow a sequence of steps for making designs.
