

SENSES POEM

On the lines below write a senses poem about feeling happy. An example has been provided.

EXAMPLE:

*When I hear the rain go drip, drip, drip,
I jump in puddles and slip, slip, slip!*

or

*A rainbow curved across the sky,
I smiled so big, I don't know why!*

or

*The breeze was cool against my cheek,
It made me laugh and jump and squeak!*

Draws on experiences to create a poem
