

What's Safe and Unsafe

Sadie wandered off without telling anyone where she was going and spent many hours with a lady she did not know. While nothing bad happened it could have. Sort these items into safe and unsafe things to do.

SAFE THINGS TO DO

Always tell an adult where you're going

Walk alone whenever you want

Yell loudly and run away if someone tries to grab you

Talk to whomever you meet wherever you go

If a stranger offers you gifts or treats, say "no"

Get into cars with people you don't know
